

INVITATION

Dear Friends,

It is a great pleasure to invite you to the 3rd Rajasthan Chapter of Indian Academy of Tropical Parasitology (IATP)- 2019 to be held on 05-06th April 2019 being organized by the Department of Microbiology, AIIMS, Jodhpur.

The main objective of the Rajasthan Chapter is to bring together all the experts of different specialities in this field, giving them the opportunity to share their research experiences & knowledge in different aspects of Parasitology. The content of the program is targeted for faculties, scientists, researchers, residents and students.

On behalf of the Organizing Committee, I cordially invite you all to actively participate in this pioneering event and share your experiences through invited lectures, oral papers, panel discussion, poster presentations, Quiz & discussion with the experts.

We look forward to see you in the sun city Jodhpur.

Dr. Vijaya Lakshmi Nag

President, Rajasthan Chapter of IATP

Prof & Head (Dept. of Microbiology, AIIMS, Jodhpur)

Mehrangarh Fort, Jodhpur

Message from IATP

Dear Friends,

It's our pleasure on behalf of the entire fraternity of Indian Association of Tropical Parasitology (IATP) to welcome you all to the third Rajasthan Chapter of Indian Academy of Tropical Parasitology (IATP) being held at Department of Microbiology, AIIMS, Jodhpur on 05-06th April 2019.

This Chapter is an excellent platform for professional interaction among all the medical microbiologists and Parasitologists working in various medical colleges and research institutes across Rajasthan. This will promote exchange of ideas and research interest in parasitic diseases of public health importance. We extend our best wishes to the organizers and participants for the success of this event and hope that deliberations in this Conference will contribute significantly towards the advancement in the knowledge and research in this field of Parasitology.

Prof. SC Parija
President, IATP

Prof. Ujjala Ghoshal
Secretary, IATP

Theme of Conference:

Management of Parasitic Infections: The Progress Made

Topics for speakers:

1. Epidemiology of vector borne diseases: Effect of climate change
2. Proteomics in Parasitology
