5th National Conference & Workshop on Antimicrobial Stewardship Practices in India

Welcome to ASPICON 2023 - The 5th Annual Conference on Antimicrobial Practices in India!

We are thrilled to extend our invitation to you for this highly anticipated event, which will be held in the captivating city of Jodhpur at the prestigious All India Institute of Medical Sciences (AIIMS) Jodhpur. The conference is organized by the Infectious Diseases Academic Activities (IDAA) of AIIMS Jodhpur, in collaboration with the Society for Antimicrobial Stewardship Practices (SASPI). ASPICON 2023 is scheduled to take place from September 29th to October 1st, 2023.

Nestled in the culturally vibrant state of Rajasthan, Jodhpur exudes a remarkable blend of historical grandeur and artistic splendor. Known as the "Blue City" due to the azure shades that adorn its traditional houses, Jodhpur boasts an enchanting atmosphere that captivates visitors. The city's majestic forts, including the world-renowned Mehrangarh Fort, and its magnificent palaces, such as the Umaid Bhawan Palace, stand as testaments to its rich heritage.

AIIMS Jodhpur, the esteemed venue for ASPICON 2023, is an epitome of medical excellence in the region. Renowned for its unwavering commitment to

cutting-edge research, innovation, and the delivery of exceptional healthcare services, AIIMS Jodhpur holds a distinguished reputation among premier medical institutions in India. Equipped with state-of-the-art facilities and staffed by a team of renowned medical professionals, AIIMS Jodhpur continues to spearhead advancements in the field of healthcare.

ASPICON 2023 serves as an invaluable platform for sharing knowledge, fostering collaborations, and addressing the critical challenges surrounding antimicrobial practices in India. Esteemed experts from around the world will congregate to present their research, engage in thought-provoking discussions, and exchange ideas that will shape the future of antimicrobial stewardship.

We encourage you to reserve your dates and join us at ASPICON 2023 in AIIMS Jodhpur, where you will be immersed in a stimulating environment that nurtures innovation and learning. Together, let us explore the forefront of antimicrobial practices and collectively strive for a brighter and healthier future.

What to expect in the conference?

- Preconference workshop on Antifungal stewardship
- Small group based case discussions
- National Quiz on AMS
- Oral Case presentations, Oral Research presentations & Poster Presentation
- Inter departmental case discussions
- Debates
- Talks from Eminent faculty from India & the World
- Experience of Antimicrobial Stewardship practices from different parts of the country

We eagerly anticipate your presence at ASPICON 2023 in AIIMS Jodhpur!
