INVITATION

Dear friends and colleagues

Greetings from Jodhpur "Suncity of India"

It is indeed a matter of great pleasure for us to invite you to the first "Thoracic ultrasound workshop 2018" to be held on 9th September 2018 at All India Institute of Medical Sciences (AIIMS), Jodhpur.

Ultrasonography is a very useful modality in many abnormal thoracic conditions. Its use at point of care settings has made it an indispensable tool beyond radiology departments worldwide. There is a need to provide education on its diagnostic capabilities and appropriate use. This workshop shall cover major applications of ultrasound in patients with thoracic/lung diseases. It is targeted for novices as well as clinicians with some experience with the use of ultrasound. This limited seat course is made suitable to the needs of all delegates eager to learn thoracic ultrasound for managing patients with varied thoracic pathologies.

We hope to see you during this intense and high-yield workshop
