Invitation

Prof Sanjeev Misra
Chief Patron
Director & CEO, AIIMS Jodhpur

Dear Colleague,

The organizing committee feels extremely proud and privileged in extending a hearty invitation to attend the seminar cum workshop on “Biosafety and Biosecurity: Visit to BSL-3” being organized by Regional Level Viral Research & Diagnostic Laboratory Department of Microbiology, All India Institute of Medical Sciences, Jodhpur from 29th & 30th July, 2022.

Laboratory biosafety and biosecurity activities are fundamental to protecting the laboratory workforce and the wider community against unintentional exposures or release of potentially harmful biological agents. During the last two decades, there has been rapid advancement in biology and biotechnology research globally as well as in India, both in public and private sector institutions, therefore this necessitates that the biosafety and biosecurity guidelines must be reviewed, updated and harmonized in accordance with the best global practices. Further in concordance to biosafety guidelines, regulations must be followed in the research process especially while dealing with emerging and re-emerging infectious viruses. While handling such pathogenic organisms, it should be ensured that biosafety and biosecurity measures are being taken for protection of public health and environment.

I am confident that this workshop will provide the much-needed clarity to all stakeholders on biosafety and biosecurity requirements in the use of molecular diagnosis and outbreak management of infectious diseases. I extend my sincere gratitude to all expert members, contributions of the stakeholders from industry, academia and civil societies on biosafety and biosecurity seminar cum workshop at our Institution. Please join us on 29th & 30th July, 2022 in our historic and beautiful Jodhpur. We look forward to welcoming you.

Jodhpur, formerly known as Marwar, the capital of the Rajput rulers, has long history of various traditions. Located towards the western side of the capital city of Jaipur, this city is the second biggest city in the state of Rajasthan. Being a place of princely palaces, magnificent forts as well as age old temples, this city of Rajasthan is among the famous tourist destinations in the state as well as India. Positioned in the Thar Desert's stark landscape, Jodhpur experiences a bright and sunny weather all through the year. For this, the city is also known as "Sun City". One of the specialties of this metropolitan city is that almost all the houses based around the Mehrangarh fort are painted in blue color, due to which the city is even known as the "Blue City".

Organizing Committee

Patron

Dr. Vijaya Lakshmi Nag (Professor, Dept. of Microbiology)

Dr. M.K Garg (Medical Superintendent, AIIMS Jodhpur)

Dr. Kuldeep Singh (Professor & Dean of Academics)

Dr. Sneha Ambwani (Professor & Officiating Head, Dept. of Microbiology)

Dr. Arun Kumarendu Singh (Professor, Dept. of Neonatology)

Organizing Secretary

Dr. Ravisekhar Gadepalli (Additional Professor, Incharge R'VRDL, Dept. of Microbiology)

Treasurer

Dr. Kuntal Kumar Sinha (Assistant Professor, Dept. of Microbiology)

Scientific Committee Members

Dr. Vibhor Tak (Associate Professor, Dept. of Microbiology)

Dr. Sarika P Kombade (Associate Professor, Dept. of Microbiology)

Dr. Vidhi Jain (Assistant Professor, Dept. of Microbiology)

Dr. Abhishek Kumar (Assistant Professor, Dept. of Microbiology)

Dr. Rahul Gupta (Research Scientist-II, Dept. of Microbiology)

Dr. Naveen Bokolia (Research Scientist-I, Dept. of Microbiology)

Dr. Vandana Solanki (Research Scientist-I, Dept. of Microbiology)

**BIOSAFETY
LEVEL 3**

Workshop Overview:

The main objective of the seminar cum workshop is to promote Biosafety and Biosecurity in Microbiological and Biomedical Research, Diagnosis and Clinical care. Additionally, it will give the user a thorough understanding of how to apply biosafety principles, procedures, and security in the management of biomedical waste for research, diagnostic, and security purposes. This seminar cum workshop aims to bring together researchers, biologists, and healthcare professionals from various Indian academic and research institutes in order to share their expertise and experience in a variety of biosafety and biosecurity-related areas.

We cordially invite you to attend the seminar cum workshop "Biosafety and Biosecurity: Visit to BSL-3". It is our pleasure and honour to do so. Your attendance at the session will be a wonderful inspiration for students studying infectious disease. We eagerly await for your presence at the workshop.

Poster Presentation and Quiz Competition

Theme: "Biosafety & Biosecurity"

Instruction for the poster presentation competition. Poster should have a comprehensive title, objective, method, guidelines and good laboratory practices. Essentially, the poster should be self-explanatory and meaningful. All pasted posters during workshop will be reviewed and the Committee's decision to accept or reject and a poster competition prize will be announced at the end of workshop. Participant bring can bring their poster and pasted at outside wall of venue.

A one-page poster in English and The recommended size is 90 cm in height by 80 cm in width. Include the title of your presentation, authors, affiliations, and contact information in a headline strip, at the top of your poster. Dark text on a light background is easiest to read. If you have a very dark background, use large, bold white text. The candidates who want to take part in poster presentation competition, please mention in a registration form along with the title of poster.

Who Should Apply

Scientists, Faculty, Young doctors, Researchers, Postdoctoral fellow and PG, UG Students who plans to work in Infectious disease.

How to apply

You may apply through the attached registration form below **before 20th July, 2022.**

Registration Fees Details

	Faculty (INR)	Others* (INR)
Early bird registration on/ before 20.07.2022	3000 / -	2000 /-
Registration after 20.07.2022	5000 /-	3000 /-
On the spot registration	6000 / -	4000 /-

* Applicant endorsed their registration form by Supervisor/Mentor

* Scientists, Faculty, Young doctors, Researchers, Postdoctoral fellow and PG, UG Students

Registration Instruction

- Registration Payment can be made through RTGS/NEFT. On spot registration are acceptable only by mode of RTGS/NEFT.
- A registration fee includes workshop kit, breakfast, lunch and tea during workshop. Participants from outside the Jodhpur must make their own arrangement for accommodation, as per their convenience.

Bank account detail

- Beneficiary Name :: WORKSHOPSVRDL AIMS JODHPUR
- Bank Name & Address:: BANK OF BARODA, M.I.A BASNI IInd PHASE
- Account No. :: 18720100028731
- IFSC Code :: BARB0INDJOD (5th character is zero)

Payment can be done by QR code given below

UPI ID: works96800@barodampay
