

Undertaking for seeking endorsement from the Competent Authority

Project title:

Funding agency:

Scheme:

I hereby give an undertaking that:

1. This endorsement is sought only for submitting research proposal to the concerned agency, and it cannot be considered as approval to initiate project in the institution.
2. The project will be initiated only after Institutional review and due approval from the IEC, and in accordance with the Institutional policies and guidelines.
3. HMSC approval will be taken for all international collaborative research, prior to initiating the study.
4. In all extramural projects, overhead charges will be mandatory and applicable as per institutional policy irrespective of project being single centre or multi-centre.
5. No specific funding support & extra space or manpower will be sought from the Institution for the project.
6. The project will not affect my academic, clinical, departmental and institutional duties.

Signature of PI with Seal

Signature of HoD with Seal

Note: PI to ensure that the proposal for submission is directly related to his/her subject expertise. Or else, PI has to submit justification and documents in support of his/her competence to carry out the proposal research.
